### **Directors' Report**

For the Year Ended 31 December 2013

The directors present their report on CBM Australia for the financial year ended 31 December 2013.

#### 1. General information

The names of Board of directors in office at any time during or since the end of the year are:

Melvin William (Bill) Austin [Board Chair] Shawn Choong Anita Cossenas Helen Green Chris Groom Philip Ratcliff (resigned 13 May 2013) Dale Sheppard Benjamin Smith

Board directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

#### **Objectives and Principal activities**

CBM Australia's vision is an inclusive world in which all persons with disabilities enjoy their human rights and achieve their full potential. CBM strives to alleviate poverty through disability inclusive development, working to improve the quality of life of persons with disabilities, and those at risk of impairment, in developing countries. CBM promotes the rights and needs of people with disabilities overseas and in Australia.

There was no significant change in the nature of CBM Australia's principal activity during the financial year.

#### Strategy for achieving CBM Australia's objectives

CBM Australia seeks to raise funds for, and monitor the implementation of, programs which improve and extend services to people with a disability in many developing countries and in Australia. These programs include medical, education, rehabilitation, community outreach activities and advisory support across more than 20 countries. In Australia, CBM continues to contribute the Christian content to the national talking book service operated by Vision Australia.

CBM Australia is also playing a significant leadership role in inclusive development within the aid sector and beyond, promoting and advocating around addressing the double disadvantage of poverty and disability. This includes providing the secretariat for the Australian Disability and Development Consortium, partnership with the Nossal Institute (University of Melbourne) for training and research and the Luke 14 program to support Australian churches in being disability inclusive.

In 2013, CBM Australia also responded to the emergency situations in Syria, Democratic Republic of Congo and the Philippines.

ABN: 23 005 326 849

### **Directors' Report**

#### For the Year Ended 31 December 2013

1. General information continued

#### **Operating Results and Key Performance Measures**

Total income for the year was \$30.6 million, increasing by \$0.2 million compared with 2012 (\$30.4 million). Grants received from the government were \$7.8 million which represented a decrease of \$2.3 million compared with 2012 (\$10.1 million). Donations and gifts increased to \$18.9 million which was up \$3.0 million compared to 2012 (\$15.9 million).

Whilst the reduction in government grants was expected, the income from donations significantly exceeded expectations and was largely a result of a very strong last quarter response from CBM supporters.

Combined with a reduction in CBM's administrative and fundraising costs, this has resulted in a higher than expected operating surplus of \$3.2 million (2012 was a deficit of \$0.1 million), which will be applied to additional programs in 2014 and 2015.

The Board monitor performance through a variety of measures including the ratios detailed in note 19.

#### Members guarantee

CBM Australia is a company limited by guarantee. In the event of, and for the purpose of winding up of the company, the amount capable of being called up from each member and any person or association who ceased to be a member in the year prior to the winding up, is limited to \$20 for all members, subject to the provisions of the company's constitution.

At 31 December 2013 the collective liability of members was \$ 520 (2012: \$ 520).

### **Directors' Report**

For the Year Ended 31 December 2013

#### Auditor's independence declaration

The lead auditor's independence declaration in accordance with section 307C of the *Corporations Act 2001*, for the year ended 31 December 2013 has been received and can be found on page 7 of the financial report.

Signed in accordance with a resolution of the Board of Directors:

Director: .....

Director: multi

Name:

CHRIS GROOM

Name: M.W. AUSTIN

Dated 24/3/2014

ABN: 23 005 326 849

### Auditors Independence Declaration under Section 307C of the Corporations Act 2001 to the Directors of CBM Australia

I declare that, to the best of my knowledge and belief, during the year ended 31 December 2013, there have been:

- no contraventions of the auditor independence requirements as set out in the Corporations Act 2001 in relation to the audit; (i) and
- no contraventions of any applicable code of professional conduct in relation to the audit. (ii)

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies

#### (a) Basis of Preparation

CBM Australia has elected to early adopt the Australian Accounting Standards – Reduced Disclosure Requirements as set out in AASB 1053: Application of Tiers of Australian Accounting Standards and AASB 2010–2: Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001*. The company is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

The following financial statements have been prepared in accordance with the requirements set out in the ACFID Code of Conduct. For further information on the Code please refer to the ACFID Code of Conduct Guidance available at www.acfid.asn.au

#### (b) Comparative Amounts

Comparatives are consistent with prior years, unless otherwise stated.

#### (c) Income Tax

No provision for income tax has been raised as the company is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

#### (d) Leases

Leases of fixed assets where substantially all the risks and benefits are incidental to the ownership of the asset, but not the legal ownership that are transferred to the company are classified as finance leases. CBM Australia does not have any material finance leases.

Lease payments for operating leases, where substantially all of the risks and benefits remain with the lessor, are charged as expenses on a straight-line basis over the life of the lease term.

#### (e) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the entity and specific criteria relating to the type of revenue as noted below, has been satisfied.

Donations are recognised when received.

Bequest donations are recognised when the funds are received. CBM Australia has a number of bequest notifications at any point in time, but the exact amount of the bequest usually is not known until the bequest distribution is actually received.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies continued

#### (e) Revenue and other income continued

Government grants are recognised as income when invoiced to the extent that amounts invoiced relate to the year of income. Where funds relate to future years' activities and there is an obligation to repay those funds, if they are not spent for the approved purpose, then such funds are recognised as a liability until they are expended.

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Investment revenue is recognised through the year when distributions are advised by fund managers.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

#### (f) Goods and Services Tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payable are stated inclusive of GST.

The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### (g) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated, less, where applicable, accumulated depreciation and any impairment losses.

#### Land and buildings

Land and buildings are measured on the cost basis less accumulated depreciation and accumulated impairment losses.

#### Plant and equipment

Plant, equipment and motor vehicles are measured on the cost basis less accumulated depreciation and accumulated impairment losses.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies continued

#### (g) Property, Plant and Equipment continued

#### Depreciation

The carrying amount of all assets is reviewed annually to ensure that it is not in excess of the recoverable amount from these assets.

The depreciable amount of all property, plant and equipment, except for freehold land and motor vehicles is depreciated on a straight-line method from the date that management determine that the asset is available for use. Motor vehicles are depreciated on a diminishing value method.

The depreciation rates used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Buildings	3.33%
Plant and Equipment	12.5 - 33.33%
Furniture, Fixtures and Fittings	12.5 - 33.33%
Motor Vehicles	18%

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss in the period in which they arise.

#### (h) Financial instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is the equivalent to the date that the company commits itself to either the purchase or sale of the asset (i.e. trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transactions costs, except where the instrument is classified 'at fair value through profit or loss' in which case transaction costs are expensed to profit or loss immediately.

#### Classification and subsequent measurement

Financial instruments are subsequently measured at fair value. *Fair value* represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Where available, quoted prices in an active market are used to determine fair value.

The classification of financial instruments depends on the purpose for which the investments were acquired. Management determines the classification of its investments at initial recognition and at the end of each reporting period for held-to-maturity assets.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies continued

#### (h) Financial instruments continued

#### (i) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting year.

#### (ii) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not suitable to be classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

#### (iii) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

#### Impairment of financial assets

At the end of the reporting period the company assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

#### Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

#### (i) Impairment of assets

At the end of each reporting period the company determines whether there is an evidence of an impairment indicator for nonfinancial assets.

Where this indicator exists and regardless for goodwill, indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the assets is estimated.

Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

#### (j) Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies continued

#### (k) Employee benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Employee benefits are presented as current liabilities in the statement of financial position if the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119.

#### (I) Perpetual Trust Reserve

A number of perpetual trusts have been established with CBM Australia as trustee, the income of which is donated to CBM Australia. This reserve reflects the capital available in the perpetual trusts.

#### (m) Financial Assets Reserve

The Financial Assets Reserve exists to recognise the unrealised movement in market value of financial assets as at year end.

#### (n) Committed Funds Reserve

The Board of CBM Australia has established a policy of raising the level of the Committed Funds Reserve to approximate the value of the expected payments for overseas projects in the following year.

#### (o) Bequest Reserve

The Bequest Reserve was created to represent the average value of bequests for the last four years.

#### (p) General Reserve

The General Reserve represents funds maintained in the organisation for income generation activities in support of operations.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 1 Summary of Significant Accounting Policies continued

#### (q) Critical accounting estimates and judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

#### Key estimates - impairment

CBM Australia assesses impairment at the end of each reporting date by evaluating conditions specific to CBM Australia that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value-in-use calculations performed in assessing recoverable amounts incorporate a number of key estimates No impairment has been recognised for the year ended 31 December 2013.

#### Key judgments - doubtful debts provision

A review was conducted of accounts receivable at 31 December 2013 which determined that all debts were recoverable in full. Consequently, no provision for debtor impairment has been made at 31 December 2013.

#### Key judgments - income in advance/unexpended grants

Grants received in advance represent funds received from the Department of Foreign Affairs and Trade (DFAT) (previously AusAID) in 2013 for expenditure in 2014 programs. This includes funding for one contract with DFAT. Under the terms of the contract in place with DFAT, such funds are to be returned if they are not spent. The directors believe that this represents a present obligation and has been recorded as such as at 31 December 2013.

ABN: 23 005 326 849

Operating leases consist primarily of office printing equipment		

Operating leases consist primarily of office printing equipment.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### 14 Financial Risk Management

#### Objectives, policies and processes

CBM Australia's financial instruments consist mainly of cash, short term bank deposits, investments in managed funds, accounts receivable and payable, advances for project payments, grants in advance, interest free loans from supporters and operating leases.

The purpose of financial instruments is to maintain value for future project commitments and to generate income to offset administration and fund raising costs.

CBM Australia does not have any derivative instruments at 31 December 2013.

The main risks the company is exposed to through its financial instruments are market risk, liquidity risk and credit risk. Risks are managed on a day to day basis by the Chief Operating Officer and the Director of Finance and Administration operating within guidelines determined by the Finance and Audit Committee of the Board and with advice from JBWere who manage CBM Australia's investment fund portfolio.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

		2013	2012
		\$	\$
Financial Assets			
Cash and cash equivalents	5	3,448,987	7,984,573
Loans and receivables	6	329,163	512,945
Available-for-sale financial assets	7	15,349,387	11,702,718
Held-to-maturity financial assets	7	1,852,000	462,000
Other Current Financial Assets	8	319,874	166,751
Total financial assets	=	21,299,411	20,828,987
Financial Liabilities Financial liabilities at amortised cost			
- Trade and other payables	10	2,117,277	5,895,808
Total financial liabilities	=	2,117,277	5,895,808

#### Net fair values

(i) For listed available-for-sale financial assets and financial assets at fair value through profit or loss the fair values have been based on closing quoted bid prices at the end of the reporting period. In determining the fair values of the unlisted available-for-sale financial assets, the directors have used inputs that are observable either directly (as prices) or indirectly (derived from prices).

(ii) Fair values of held-to-maturity investments are based on cost.

ABN: 23 005 326 849

### Notes to the Financial Statements

For the Year Ended 31 December 2013

#### Intangible income 15

Resources received in the form of voluntary help or beneficial loan arrangements, are not included in the financial statements. Nevertheless the directors recognise and appreciate the value to CBM Australia of services voluntarily given by corporations, groups and individuals.

In 2013, a number of people volunteered their time to help in CBM Australia's international development and domestic programs as well as administration support. This contribution has not been recognised in the Statement of Profit or Loss and Other Comprehensive Income.

#### Trust Funds 16

CBM Australia holds two sums of money in Trust from which income is derived and distributed to CBM Australia. The balance of these funds at 31 December 2013 and the distributions in 2013 are as follows: . . . .

	2013	2012
	\$	\$
P & A Favaloro Charitable Trust	40,000	40,000
Interest earned	1,764	2,500
Doug Sandell Trust	112,000	112,000
Interest earned	4,941	7,000

These funds Trusts are consolidated into 12 month term deposits. Interest rate of 4.2% p.a.

#### **Events Occurring After the Reporting Date** 17

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the company, the results of those operations or the state of affairs of the company in future financial years.

#### Table of Cash Movements for Designated Purposes 18

CBM Australia's membership of the Australian Council for International Development (ACFID) requires reporting of cash movements where cash received for a designated purpose in any one financial period exceeds 10% of total revenue.

Details of cash receipts and disbursements are set out below. No other individual appeals exceeded 10% in 2013.

	Cash available at Cash raise beginning of during finan financial year year		Cash disbursed during financial year	Cash available at end of financial year	
	\$	\$	\$	\$	
Women's Health	264,528	-	(264,528)	-	
Total for other purposes	7,720,045	35,148,254	(39,419,312)	3,448,987	
TOTAL	7,984,573	35,148,254	(39,683,840)	3,448,987

### Independent Audit Report to the members of CBM Australia

#### **Report on the Financial Report**

We have audited the accompanying financial report of CBM Australia, which comprises the statement of financial position as at 31 December 2013, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

#### Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of CBM Australia, would be in the same terms if given to the directors as at the time of this auditor's report.

### Independent Audit Report to the members of CBM Australia

Auditor's Opinion

In our opinion the financial report of CBM Australia is in accordance with the Corporations Act 2001, including:

- giving a true and fair view of the company's financial position as at 31 December 2013 and of its performance for the year ended on (a) that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.
