

**POSITION TITLE:** Program Coordinator – Accreditation & Systems (AS)  
(2 year contract)

**DEPARTMENT:** International Programs Department (IP)

**DATE:** March 2019

**REPORTS TO:** Senior Program Advisor

**ORGANISATIONAL MISSION:**

CBM is a Christian development organisation, committed to improving the quality of life of people with disabilities in the poorest countries of the world.

**DEPARTMENTAL MISSION:**

The IP team supports effective high quality programs that alleviate poverty, raise awareness on the rights of people with disabilities, including them in local change and development and enable access to services. We strengthen field program implementation, contribute to partner capacity and promote learning in our programs, working with local partner organisations to bring local change. Internally we work with fundraising, communications, advocacy and the external advisory department to support organisational outcomes, to tell the stories of our field work to effectively communicate and inspire others.

**PURPOSE OF ROLE:**

The Program Coordinator-AS will play a central role in the IP Department program quality and systems with focus on accreditation, ACFID Code, and support as needed for ANCP management. As a member of the Program Accountability Team (PAT) which works within International Programs (IP) Department of CBMA you will:

- Lead on ANCP accreditation processes for programs
- Ensure effective project management systems in particular for ANCP
- Manage field programs policy, standards, workflow and accountability in line with contractual agreements (DFAT, ACFID etc)
- Liaise within CBM to share information and support communications
- Represent CBMA to DFAT, ACFID, other NGOs and donors where required.

**LEVEL OF DIRECTION OR SUPERVISION:**

The Program Coordinator – AS has a significant level of responsibility, working within our Programs Accountability Team (PAT) with the Grants Co-ordinator and Finance PSO, and reporting to the Senior Program Advisor.

<b>KEY COMPETENCIES OF ROLE</b>
Experience in development sector program compliance (safeguarding, counter terrorism, fraud, sexual exploitation, abuse and harassment)
Experience and insight in management of program information for DFAT accreditation and ACFID Code
Program portfolio management with focus on government funds

Experience in development sector project management cycle (approval, implementation and reporting) Current knowledge of international development, understanding of the Australian development sector Excellent writing skills able to produce succinct clear documents
Commitment to CBM's mission and values and willingness to help CBM grow and develop
Manage and organise complex workload cooperatively within a team
Excellent interpersonal skills
<b>OTHER COMPETENCIES</b>
Ability to think strategically and holistically
Self-motivated, able to work independently
Excellent oral communication skills
Advanced skills in computer use of Excel, Word, email and database
