

Make your church a place of belonging for people with disabilities

Will you help ensure everyone feels welcome and included in your church community?

CBM Australia's **FREE** Luke14 resources equip churches to better understand, support and welcome people with disabilities, mental health conditions, and neurodivergences.

Please share this with your church leaders and ministry teams.

cbm.org.au/luke14

CBM's Luke14 program offers free resources to help your church reflect Christ's love by including people with disabilities in every part of church life.

- ✓ Grounded in scripture
- ✓ Co-designed with people with disabilities
- ✓ Practical, best-practice guidance for churches
